## Winning Confidence

Copyright Hart Schaffner & Marx

THAT'S A BIGGER THING THAN JUST GETTING YOUR BUSINESS. "YOUR CONFIDENCE" IS WHAT WE ARE AFTER.

IT MIGHT MEAN TELLING YOU THAT WE DIDN'T HAVE "THE EXACTLY" RIGHT THING FOR YOU. WE'D RATHER NOT SELL YOU THAN TO GIVE YOU THE WRONG THING.

IT MEANS GIVING VALUES AND WATCHING OUT FOR YOUR INTERESTS; IT ALSO MEANS RETURNING YOUR MONEY WHEN YOU'RE NOT SATISFIED.

THAT'S THE KIND OF A CLOTHING STORE THIS IS; YOU'LL LIKE TO DO BUSINESS HERE.

ANOTHER WAY OF WINNING CONFIDENCE IS TO SELL HART, SCHAFFNER & MARX CLOTHES; THEY'RE ALWAYS RIGHT IN STYLE, FIT AND PRICES.

YOU'LL LIKE THIS NEW SPORT SUIT; WE'LL SHOW YOU OTHERS YOU MAY LIKE BETTER.

## Seasonable Hardware

That will keep the Waters Hardware Store busy during the month of September.

### Grape Shears

Better buy a new stock of Grape Picking Shears and make every minute in the vineyard count. Higher priced labor and a shorter season for picking. It will stand you in hand to use one of the time picking rather than doctoring up old shears. Ours are priced at 30 cents each for the best one made.

### Belknap Orchard Wagons

The short Grape Season will necessitate the handling of your grape crop very quickly. Many will put in the second wagon drawing grapes from the field to the packing house.

Its better business to invest in a new wagon than to let the frost get some of those \$45.00 grapes.

You can buy a wagon while the stock lasts at \$55.00.

### Jumbo Baskets

We have about 8000 Jumbo Baskets more than we shall want for our own use. These will be sold at \$55.00. Jumbos are quite apt to be scarce later. A word to the wise is sufficient.

### Wagon Covers and Springs

We have just received our Fall stock. They have not been priced at this writing, but we bought them early and the price will be less than if bought on present market.

### Round Oak Stoves

It is rather hard to say much more than has already been said in favor of Round Oaks.

They have stood the test of over forty years right here in Paw Paw. You all know by your own experience how good they are. You know that they are Fuel Savers. You know that they are always Tight. You know that they will Burn Any Kind Of Fuel.

They cost no more than other stoves that are imitations. We have some Good Bargains in second hand stoves of all kinds.
